**SUPPLEMENTARY INFORMATION:**

**Grant Notification**

We are notifying the public that we intend to grant funds to eligible applicants for purposes authorized under SMCRA’s Title IV AML Reclamation Program and Title V Regulatory Program. We will award these grants during fiscal year 2022. Eligible applicants are those States and Tribes with an existing AML reclamation program and/or a regulatory program approved pursuant to SMCRA, as amended, 30 U.S.C. 1201 *et seq.*, and, as provided in 30 U.S.C. 1295, those States and Tribes that are seeking to develop a regulatory program. Consistent with Executive Order 12372, we are providing State and Tribal officials the opportunity to review and comment on these proposed Federal financial assistance activities. Of the eligible applicants, eighteen States or Tribes do not have single points of contact; therefore, we are publishing this notice as an alternate means of notification.

**Description of the AML Reclamation Program**

SMCRA established the Abandoned Mine Reclamation Fund to receive the AML fees that, along with funds from other sources, are used to finance reclamation of AML coal mine sites and for certain other purposes. Title IV of SMCRA authorizes OSMRE to provide grants, funded from permanent (mandatory) appropriations, to eligible States and Tribes. Recipients use these funds: to reclaim the highest priority AML coal mine sites that were abandoned prior to the enactment of SMCRA in 1977; to reclaim eligible non-coal sites; for projects that address the impacts of mineral development; and for non-reclamation projects.

## **Description of the Regulatory Program**

Title V of SMCRA authorizes OSMRE to provide grants to States and Tribes to develop, administer, and enforce State and Tribal regulatory programs that address, among other things, the disturbances from coal mining operations. Additionally, upon our approval of a State or Tribal regulatory program, Title V authorizes that State or Tribe to assume regulatory primacy and act as the regulatory authority within the State or Tribe, and to administer and enforce its approved regulatory program. These provisions of SMCRA are implemented by our regulations at Title 30 of the Code of Federal Regulations, Chapter VII.

**Glenda H. Owens,**

*Deputy Director,*

*Office of Surface Mining Reclamation and Enforcement.*
